ATTACHED ARE LISTINGS OF BROADCASTS OR BROADCAST SEGMENTS WHICH, IN THE STATION'S JUDGEMENT, REFLECT THE STATION'S MOST SIGNIFICANT TREATMENTS OF ASCERTAINED COMMUNITY ISSUES DURING THE PERIOD OCTOBER 1, 2012 THROUGH DECEMBER 31, 2012.

CBS 13 AIRS NEWS COVERAGE THROUGH OUR CBS NEWS PROGRAMS WHICH AIR MONDAY THROUGH FRIDAY 5AM, 6AM, NOON, 4PM, 5PM, 6PM AND 10PM AS WELL AS SATURDAY AND SUNDAY 5PM AND 10PM.

CRIME 10/11/12 The remains of one of the so-called speed freak killers recovered from a Linden well have been sent to the family of JoAnn Hobson, however they were mixed with three other individuals including the bone of a child. **CRIME 10/27/12** Federal investigators have busted up a ring where suspects were making fake social security cards, and green cards for illegal immigrants. **CRIME 11/1/12** As the crime rate in Stockton soars, California Highway Patrol officers have been called in to patrol the streets for at least the next three months. Stockton recently broke its all time murder record with 61 murders so far this year. **CRIME 12/11/12** A sophomore at Inderkum High School is rushed to the hospital today after being beaten by two people who entered the campus unnoticed. The campus was on lock down for 15 minutes until the suspects were caught by police. **CRIME 12/18/12** A former aide to Mayor Kevin Johnson is under arrest, accused of charging over 19,000 dollars on a city issued credit card. Investigators say she forged the Mayor's chief of staff's signature on city documents connected to the spending.

ECONOMY 10/31/12 A company that had threatened to leave California is now staying and adding 400 jobs. VSP of Rancho Cordova was going to leave after a state committee decided to write new rules limiting the customers VSP can sell plans to. Yesterday the state panel reversed its decision. **ECONOMY 11/16/12** Hostess is going out of business nationwide, and in Sacramento 200 workers will be out of work. The plant that is located on Arden Way has been in operation for over forty years. **ECONOMY 12/5/12** With the fiscal cliff 26 days away, estimates show California could lose about 200 thousand jobs and 4.5 billion dollars if a compromise cannot be reached. **ECONOMY 12/12/12** The 40th annual almond industry conference is being held in Sacramento this week estimated to bring in more than one-million dollars to the city, from everything to hotels rooms to restaurant bills. **ECONOMY 12/18/12** A research firm has found that California home prices have risen 19 percent from last November.

GOVERNMENT 10/17/12 Long term care insurance for thousands of government workers will get more expensive. Today CalPers board members approved an 85 percent rate increase over two years. Policy holders have until July to decide whether to keep their current benefits. **GOVERNMENT 11/7/12** A big win for Governor Jerry Brown in yesterday's election. Voters passed Proposition 30 – a plan that will increase taxes to help better fund our schools. **GOVERNMENT 11/26/12** Pay cuts for the governor and state lawmakers take effect next month. On December third, they will take a five percent cut. It was ordered by the California Citizens Compensation Commission, the group that sets their pay. **GOVERNMENT 11/27/12** A state audit revealed today that the Departments of Public Health and Social Services have violated state laws, showing millions in taxpayer dollars meant to fund children's safety programs have been going to private administrators. **GOVERNMENT 12/11/12** Fourteen thousand social security numbers were accidentally released by the California Department of Health Care Services. The people whose information was leaked are connected to Medi-Cal providers working the in-home supportive services.

COMMUNITY 10/12/12 A community coming together to help the family of two little boys that were hit while on their way to school by a drunk driver. The 6-year old boy is still in serious condition at the hospital. The driver was arrested for DUI. **COMMUNITY 10/20/12** The names of 40 fallen firefighters were added to the California Firefighters Memorial this weekend. Thousands of firefighters and family

members from across the state gathered to honor the heroes. **COMMUNITY 11/12/12** Veterans in Sacramento received free medical services this weekend. The third annual Veterans Day Health Clinic helped more than 100 people. **COMMUNITY 11/19/12** The Sacramento Food Bank handed out more than six-thousand turkeys at their main campus today. **COMMUNITY 12/1/12** A USL minor league pro team is coming to Sacramento and will play at Hughes stadium in 2014. The ownership group is led by the same man who helped bring the Sacramento Rivercats here.

HEALTH/SAFETY 10/25/12 A new recommendation today from government health experts. Pregnant women do need to be vaccinated for whooping cough. It's turning into the worst year for whooping cough since the 1950's. **HEALTH/SAFETY 11/12/12** Young people are more likely to nod off behind the wheel than any other age group. Research showed one in seven drivers between the ages of 16 and 24 dozed off while driving last year. The AAA study found one in every six deadly crashes involved a drowsy driver. **HEALTH/SAFETY 11/16/12** A California Department of Education state fitness exam shows that fewer than a third of fifth, seventh and ninth graders are physically fit. More than one million students were tested for six different exercises. Of those, 30 percent have too much body fat. **HEALTH/SAFETY 12/6/12** The Consumer Product Safety Commission is trying to pull the "Nap Nanny" and "Nap Nanny Chill" recliners off the shelf after five infant deaths and more than 70 falls. **HEALTH/SAFETY 12/17/12** A fourth grade student from Kennedy Elementary in Stockton went home sick on Thursday and died on Sunday from bacterial meningitis. Her pediatrician and the doctors at St. Joseph Hospital thought it was the flu.
